Email Body:

Dear Commissioner Conway,

This letter is to inform you of my position against eliminating the Colorado Insurance Bulletin B-5.1.

I feel the removal of this longstanding bulletin will not only goes against policyholder's best interests, it incentivizes insurance companies to wrongfully underpay and delay claims. In addition, the deduction of Overhead and Profit would negatively impact contractors like myself.

As the owner of _____ (business), I have been in Colorado serving policyholders since ____.

List information about your business.

Here is example to illustrate why I am against the removal of B-5.1:

List information about claim, customer, etc.

I am asking that you use your authority to stop the removal of B-5.1 to protect policyholders in Colorado and business owners like myself. Thank you for your time and attention this matter.

Sincerely,

(Name, info)
